Subject: RE: Visit of Admin Pruitt in Bologna

Hello Stefano,

Administrator Pruitt welcomes the lunch with entrepreneurs suggested by Minister Galletti. I believe that Hodayah will also want to recommend some U.S. businesses that will be joining us for the G-7.

Regarding the Food Waste event, we are considering some alternative approaches to Showcasing Innovative Food Waste Approaches in a more intimate setting. Hodayah and I will get back to you with some ideas later next week.

Best regards. I hope you are having a wonderful weekend.

Mark
